There are 100 Native Sudanese, ordained Evangelists with college degrees preaching in their home towns. They take turns today coming to Malek to teach 40 to 60 new Students in their own language at ABC. There are now a total of 160 Evangelists, including students, serving Christ in growing churches in Sudan. Prayers requested!!

MALEK CONGREGATION: We have made this picture large for you to study the people. It is not a wide angle lens to see all the multitude. We also lightened the picture so you can make out their faces and clothes. Notice anything different from your USA congregation? Yes, see how many young faces there are, also the absence of old faces. Notice their "Sunday Best" clothes but all live in poverty. Notice each neatly dressed young Evangelists are the oldest people. Notice Dut on the left side, their beloved "Worship Leader" with the pink shirt and his drum on his chest. One young man asked me: "Are you a Christian" I told him "yes". He exclaimed to me, "I am going to run home and tell my father of you because my father says 'Church is just for children'".

PEORIA MISSIONARY CONVENTION CLOTHES

I see something else in this picture. Twenty years ago when Yournew went back home to his people, none were wearing clothes. Maybe some had a rag draped over their shoulder. 96,000 pieces of clothes were shipped in two 20ft containers to Sudan from the 2004 Peoria National Missionary Convention. Until then Yournew preached modesty at church and people stayed in their huts not coming to church.

This is a picture of the 2007 Malek congregation with their large new church building in the background with the cross on it. The church building was the first "Super Hut" in Sudan built like their 10 ft living hut. Many poles held up the church roof but torrential downpours of rain for a week left too much water (tons) trapped in the straw roof and the roof collapsed. The mud walls dissolved. So the church in Malek has been meeting under a tree and a large tent for over a year. This year (2010), SAM is laying aside \$5,000.00 a month in a "Malek building fund" for a building with concrete walls, roof trusses, insulation and metal roofing, like the blue Bible College roof to the right next door. **Do you wish to have a part with an extra \$100.00 this month for building a church building? It is being used to win thousands to Jesus Christ their Lord in Malek and nearby villages.**

YOURNEW'S JULY 1st CHURCH REPORT

"The work of the ministry is going on well. Our Lord is doing very great work among our people. Church ministry is growing well. There are lot of people called to his Church. We have 47 baptisms from the April - June 2010. I will send you all the details in my report when arrive in Nairobi.

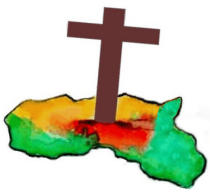

The Malek Christian hospital has grown and is treating about 600 people a day. Especially children and women are blessed by this hospital. We pray to get more funds for medicines and floor tiles. I am working on the report with proposals for the Sudan Church in Aweil area before I come to Nairobi. We are very grateful for all the support you have been sending to our people. It has made a big difference in lives of our people in Aweil.

We thank God that has blessed us with the good rain in Aweil area this year. The Ox- Plow project is going well this year. The lower land flooded because of the heavy rain and the higher land will gain more crops now than the lower land.

We need funds for three important projects for the Church.

1. Building the Malek Church building.
2. Floor tiles for the Hospital.
3. The Orphan Children's 360 Acre Ranch.

Pass my greetings to Sam and our donor in USA." **Yournew**

PLEASE READ THIS: In 1988 God called Marilyn and Paul to go to closed Sudan. **GOD LAID ON OUR HEART** to use native Sudanese men to be "The Missionary" to Sudan. God placed Yournew in my hands. I told Yournew "If you do not have a ministry then I do not have a ministry. God's Holy Spirit has worked wonders through Yournew. In 2001, Paul wrote to you saying we had chosen an empty county in the wilderness called "Malek" meaning "**Area of Red Rock**", which was Yournew's home area. Today the message of the Cross with Christ's saving Blood is crying from that "Red Rock" (pictured above) to the hearts of multitudes in Sudan! **Pray for the Sudan Church**

**GOD, GIVE US
 TIME TO
 SERVE
 THOSE IN
 NEED**

When we look at people like this man sitting on the edge of a hospital bed at the Malek Christian Hospital with great pain.

Our hearts go out to them. He is just one of eighteen thousand that came to the hospital last month (600 a day). Dr. Garang does his best to nurse back to health. Our Bible College students and leaders tell them of eternity and Jesus The Christ who loves them and gives them salvation and peace with God.

Such occasions focuses a saying I always keep in mind.

Time is

Too Exhausting for those who struggle

Too Agonizing for those who Suffer.

Too Slow for those who Wait.

Too Swift for those who Fear.

Long for those who Grieve.

Too Short for those who Rejoice.

But for those of us who Love,

Time is Eternity

I thank God every day for those of you that have stepped up to the door of **Mercy** and have **begged** to enter in to march along with Paul and Marilyn into Eternity with such peace in our hearts that we are doing all we can for the Sudanese Church.

BEV'S JUNE REPORT

I was able to spend a week at camp at West Central Christian Service Camp near La Monte, MO June 13-18 with the high school campers. In addition to teaching a class, each evening I did a mission moment and presented SAM. It was exciting to interact with the students and see their excitement for missions. These young people will carry their desire to help others on throughout their adult life and they will be the ones encouraging the congregation where they attend to support missions in the future. Sunday morning June 20th, I was able to visit the Sunday School class in Eldon, MO. This class of first and second graders have brought their offering every week and the money has been given to SAM for several years.

ONE SQUARE MILE OF PRIME FARM LAND!

This is the second appeal. Last month it made many of you blink your eyes in amazement. What an opportunity to have a self supporting Children's ranch with Food, Meat, Vegetables, Milk, Many homes, warm Beds, Christian House Parents, Prayer Chapel, Guarded Gates and love: James 1:27 "This is pure religion"(Now 100's roam the streets stealing). Yournew and Paul have stood looking many times with tears in our eyes at 360 acres(one square mile) of prime, rich, level soil. The community carved a **cross into its bark** of a large tree to designate it for the Church. None of the returning refugees have built upon it because the Community has set this acreage aside as "**Dedicated to God**" for an Orphan Children's Home.

The cost? Free to the Church. Fifteen years ago we prayed and dreamed for God to lead us: **SO** the Malek Compound with the Aweil Bible College with preachers had to come 1st **and then**. Yournew cried "How can I convince my people of the Loving God when they are dying in my arms"? **SO** the Malek Christian Hospital came next. Yet hundreds of homeless children roamed.

Again in 2002 we stood on this 360 acreage and controlled our trembling enthusiasm realizing the expense involved.

1. A crop without a fence would be devastated by wild animals.
2. Children without a house to live in is beyond reason.
3. What's a Children's Home without Mom, Dad & Caretakers?
4. \$200,000.00 is coming in. but "**It will come**". **Next month SAM shall start a list of "Children Ranch contributors!"**
