SUDAN ELECTION SUMMARY

Gleaned from the world wide web by Paul

On May 17th, the Sudan election took place; most everything went smoothly. President Kiir was reelected as president along with the Vice President, all his government officials, and cabinet members for another three years. They have established their offices in Juba, which is in the south part of South Sudan.

In our American language the South has declared their declaration of independence. On May 27, 2010, the new officials were sworn into office. The planning details are complete for the referendum election vote in January 9, 2011. This vote will say yes or no to separate the South as an Independent Democracy from North Sudan.

Twenty million black Sudanese are in dire need of our prayers. The brown northern regime from Arabia has been plundering the southern black people for decades. Millions have died holding back the northern armies. A peace treaty was signed on Jan. 9, 2005, which says they would try to exist as two nations existing as one nation for six years, then vote on Jan 9, 2011. Today, many of the South is gathering under the Christian flag.

Do you see the need for Prayer?

2010 GRADUATION

So far 100 of the best of young men of the land graduated from Bible College. All of them passed the pre-test of the ability of studying from English books and writing reports in English. Three of them from Zimbabwe Christian College, twenty from the Nairobi Great commission College. Now 100 have graduated from our own Bible college in Malek. Their classes are taught now in their Dinka mother tongue in which they will preach. Fifty two graduates from Aweil Bible College in January 2010 makes the 100 dedicated leaders. These graduates were divided into two pictures because Paul did not arrive with 30 more blue gowns. OK boys: Backstage & share your blue graduation gown. Teachers are in red.

BIBLE COLLEGE CLASSES

We opened the new ABC classes in January 2010. We received 40 students. They are busy studying Bible classes. Another 20 may come 2nd semester. Pray for all of them!

THANK YOU FROM MARILYN

We would like to thank everyone that sent card, notes, and e-mails to us for our 60th anniversary on May 14th. At last count we have received over 75 cards and 40 e-mails to mine and many to Paul's..

We had a dinner with some of the family at the Rheinlander on Saturday evening. We spent two days at the Beach (one of our favorite places).

We had celebrations for our 40th and for our 50th and have been to all 50 States, have been to Africa many times so spending time at home was good.

Paul left May 17th for Nairobi and was gone six days. We spend lots of time with the Sudan Mission. It keeps both of us busy. Thank you again all of you. We appreciate your prayers and support for what we are doing. With love, **Marilyn**

PLEASE READ THIS: In 1988 God called Marilyn and Paul to go to closed Sudan. **GOD LAID ON OUR HEART** to use native Sudanese men to be "The Missionary" to Sudan. God placed Yournew in my hands. I told Yournew "If you do not have a ministry then I do not have a ministry. God's Holy Spirit has worked wonders through Yournew. In 2001, Paul wrote to you saying we had chosen an empty county in the wilderness called "Malek" meaning "**Area of Red Rock**", which was Yournew's home area. Today the message of the Cross with Christ's saving Blood is crying from that "Red Rock" (pictured above) to the hearts of multitudes in Sudan! **Pray for the Sudan Church**

In Jan. 2010 fifty two most talented Sudanese men completed their three years of Bible college. 14 of them posed for a picture with me before they left, **walking** to their home preaching point. All are reporting multiple baptisms but are hindered for lack of transportation. **Who will team up with one of them and provide a \$175.00 bike to win more souls?** Really 30 bikes are needed! No roads, no cars, just dirt trails and multitudes.

REPORT FROM VALENTINO

In Alok the work of church is going on well. On February 2010 we had Bible study and 4 people accepted Christ and were baptized into Christ February 13th. We have a good congregation during the dry season because Alok is by the river where many people from different places come for fishing from January – April. Most of the people do not have water in their villages so in May most of the families will be going back to their villages. They come to Alok to get fish. In the month of May we are going to have few members in the church. Because many people are going back to their homes for the farming. Pray for the congregation and the growth of the church in Alok. We are praying so that God will open doors for you get some funds, so that we can be able to build a church.

A VISION INTO THE FUTURE

Yournew and the Land Commissioner stand where Yournew and Paul have stood with tears in our eyes many times. We stood by the tree with **a cross carved into its bark** which designates it for the Church, on **360 acres**(one square mile) of prime, rich, level soil. None of the returning refugees have built upon it because the Community has set this acreage aside as "**Dedicated to God**" for an Orphan Children's Home.

The cost? Free to the Church. Fifteen years ago we prayed and dreamed for God to lead us: **SO** the Malek Compound with the Aweil Bible College with preachers had to be **and then**.

Yournew cried "How can I convince my people of the Love of Christ when they are dying in my arms"? **SO** a Malek Christian Hospital came first. Yet hundreds of homeless children roamed.

Again in 2002 we stood on this 360 acreage and controlled our trembling enthusiasm realizing the expense involved.

- 1.A crop without a fence would be devastated by wild animals.
2. Children without a house to live in is beyond reason.
- 3.What's a Children's Home without Mom, Dads & Caretakers?
4. \$200,000.00 still isn't in our hands but "**It will come**".

SO: 2 weeks ago in Nairobi, in a trembling step of faith, Paul & Yournew agreed to claim the land and today Yournew has a group of community men clearing trees from 90 acres of the land."Tomorrow" a fence and homes and happy children come.
