REPORTS FROM SOUTH SUDAN

WARLAI CHURCH OF CHRIST

Dear brothers and sisters we are very excited to greet you in Jesus Christ's name. We are also excited to report and to thank you for supporting our churches in South Sudan. May God bless you for the support you have provided for many years.

Baptisms: In two months, we've had evangelistic outreach of which 73 people were being brought to Christ through baptism.

Our church also has a strong youth and Sunday school and we have done a lot of work with evangelism, Bible studies, Sunday school and youth activities.

Last may God bless you all in America and our Churches in South Sudan.

Requests: We need your support for our church ministries and we hope that God will touch the hearts of our brothers and sisters to support us in God's Mission

--Tito Dahl & William Wol, Warlai Church Evangelists for Christ, Aweil South Sudan

MALUALBAI CHURCH OF CHRIST

Most of our activities have started the last three months but some remain as a challenge in what we are doing right now. God has tremendously extended his blessing by making changes even though the situation is bad in our communities. Hunger is very still a very serious problem. Every Sunday church attendance is good and average from 50 to 70 members. There are a lot of children including orphans who have lost their parents in the war. The need is for a school, a feeding center and good care for them. The church elders would like these children to be assisted.

In Malual Bai at Awang-Thou church it is in a very good place except the building for Sunday services. Water is another problem that interrupts time of service because the distance between the hand pump and church is about one hour which is very far. If God blesses with a hand pump it will be a great privilege. Communities are excited for this program including the executive chief of the area and the government local administrator of the area. Secondly, things are in a good mood especially in Sunday services. There are many things we don't have but we need help with 200 South Sudanese Pounds (\$100 USD) for two month and for table, chairs and the Lord's Supper bread. We struggle to buy juice and bread so we can keep on taking the Lord's Supper every Sunday.

People are receptive to the message and they experience real change in their lives. We do visit every village and God is making a change. In our evangelism, 20 people have a ready been baptized. We need materials for teaching. We need 30 to 50 Bible for Bible studies so that we would be able to have continual Bible studies every Sunday.

Requests: Lord's Supper juice and bread for two months we need 200 SD (\$100 USD). We hope that God will bless us with this. A source of drinking water in the church is the major problem because it interrupts services on every Sunday.

MALUAL KON CHURCH OF CHRIST

I greet you in the name of Jesus Christ our Savior: We are praying everyday that the Lord be with you.

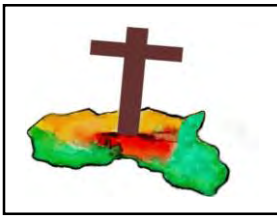

From the month of May 2012 to July 2012, we've baptized 26 people 16 are female and 10 male. We really thank God for these accomplishments.

From Friday and Saturday evening, we evangelize and through this evangelization effort, the church has become big and has grown successfully.

Our Sunday school children's program has become a chance for the church to grow.

Requests: Songs book for Sunday worship
Prayer request for hunger, peace and diseases.

RETURN SERVICE REQUESTED

SOUTH SUDAN CHURCH OF CHRIST COMPOUND

Receive my warmly and best greeting in Jesus Christ's name;
 The SSCOC compound staffs (South Sudan Church of Christ)
 We have three kitchen staff, Rebecca Abuk, Angeline Awien, and Awal Deng.

We have church clinic staff and cleaners all Awut Koth and Nyidier and other workers who work voluntarily from 6.00 a.m. to 6.00 p.m. each day for five days a week. Their scope of work includes fetching water, firewood collection, cleaning the compound and washing dishes.

--James Akok Deng, SSCOC Mission Compound Manager

MAYOM CHURCH OF CHRIST

This year Aweil north in particular is worse in terms of hunger and in addition we are really facing some challenges because of lack of rain in our area. Pray for the new nation and this area in particular. The church as a Christian community has set up a meeting to hear some of the issues concerning how to better serve the needs of the school children through programs.

The committee was the combination of different groups, youth, women, elders, evangelists in many. We met together in an effort to reopen the school for children. Children together with teachers and parent teachers association are playing a very great roles in the church and in the school.

--Angelo Atak, Mayom Church of Christ

MAJAK AJUONG CHURCH OF CHRIST

Aweil East Malulkon Church

June till July this year at least 22 believers had been baptized into Christ in Majak Ajuong Church of Christ.

The church is now engaged in conducting evangelistic and developmental activity meetings with youth and community resource groups in Aweil East especially in Majak and Malulkon where I and Luka ministered.

SAM NEWS

After reading in last month's newsletter of the need for a well in the village of Malual Bai, a Christian lady in southern California has donated \$8000 for the well. Drilling will begin the first part of December and should be completed in time for Christmas. Other than sending Christ to earth, this has to be the next best Christmas gift this village has ever received. Sudan African Mission and the village of Mallual Bai are rejoicing!

The VBS at Ridge Chapel, a small congregation in Kansas, OK, raised \$3,300 for bicycles for the evangelists of South Sudan. These funds are enough to purchase nineteen bicycles!

SAM along with Moses Bol will be at ICOM (International Conference on Missions) in Indianapolis, Nov. 15-18. Look for us in Booth #321. Bev will be speaking in LaCrosse, IN at 10 a.m. and Medaryville, IN at 7 p.m. on Sunday, Nov. 11.
