## REPORTS FROM SOUTH SUDAN

### MALEK CHRISTIAN HOSPITAL

I am glad to report to you that God is good to the people of Aweil. You have probably heard in the world news that there were outbreaks of many diseases killing people, especially children in Africa.

Aweil people were blessed with the medicine that SAM sent to Malek Christian Hospital. It saved the lives of many people. We give a million thanks to our supporting brothers and sisters from churches across the United States for what you have been sending to Aweil. You really made great changes in the lives of the people in Northern Bar El Ghazal state. God has put our hearts together to help His people in the remote areas of Aweil. Please pray for us that He will lead us in His ministry of building His kingdom through physical and spiritual implantation in the people of South Sudan.

Dr. Philip Garang is busy at Malek Christian Hospital every day helping the sick. We are hoping that John will finish his training soon and come to take part in the hospital work. He will be very helpful at both MCH and Aweil hospital.

### PAN-MITH PIIR YAM (New Life Children's Home)

The plan is to start with 100 children so that we may be able to sustain good care. The cost per child will be \$200.00 for a bed, bedding, clothing, and school uniform. The monthly support for food, housing and schooling is \$50.00 per child. We pray that in the coming year we may start construction of homes. In our proposed budget we request \$80,000.00 for the construction of two block buildings 22 meters by 11 meters. (approx. 73' x 37') We will begin construction as soon as funds are available.

## REPORTS FROM BULAMOM, BOK-BET AND MALUALBAI CHURCHES OF CHRIST

In June, July and August Angelo Atak and I visited these churches that are in remote villages far from roads and towns in the middle of the jungle. In our visits we do the following:

- 1) Pray for church growth.
- 2) Preach hope.
- 3) Ask for community participation.
- 4) Baptize new believers.
- 5) Follow up with new Christians.
- 6) Counsel broken hearts.
- 7) Pray for the needs of each particular church.
- 8) Teach worship songs.
- 9) Pulpit coaching.
- 10) Teach Sunday School Children.
- 11) Collect reports.
- 12) Encourage church unity and faith.

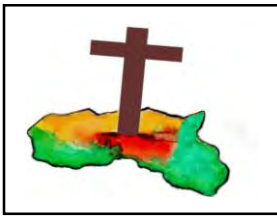

**Yournew meeting with the evangelists in Malual Bai**

Bulamom is a newly planted church. 75 converted members have been oriented to Bible studies, worship, Sunday School and the importance of prayer.

I baptized 43 individuals at Biok-Bet Church of Christ and more are being converted to Christ and we expect more baptisms in September. I also met with community leaders and Elders as well as the members of the church to assess community needs. We are praying for a water well, a health clinic, a primary school and a church building. While we have no funds for such things at this time, I told them that problems are conquered through prayers.

I went with Angelo Atak to Malual Bai Church of Christ where Ezra Lual is ministering. The Malual Bai church is growing very well and its membership is in good shape. We were amazed to see the involvement of the community members, elders and leaders with the Christians. Their participation shows us that the church will bear more and meaningful fruit. We were warmly welcomed as we shared the gospel of Christ with them. The church was wonderful and prayerful for this joint evangelistic effort and community gathering. Malual Bai is in the highlands where lack of water is a huge problem. Not only is there a lack of water drinking and sanitation, it is not possible to build a building because of a lack of water to mix mud or cement. Pray for this place. There is no school nearby so the children are not taught. The priority prayer requests of this community are a hand pump for water, a primary school, a health clinic and a church building.

--God bless you! Yournew Wol

**INTERNATIONAL CONFERENCE ON MISSIONS (ICOM)**  
 The Sudan African Mission will be at the International Conference on Missions (formerly National Missionary Convention) in Indianapolis November 15-18. Former "Lost Boy", Moses Bol is planning to attend the convention so be sure and stop by our booth and say "hello". Bev will be in the Indiana/Ohio area November 11-14, if you would like a SAM update. Please either call or email. 503.729.4631 or bev.campbell@sudanafricanmission.org. For more information on ICOM check out their website at www.theicom.org.

**RETURN SERVICE REQUESTED**

**ABC TO OPEN IN JANUARY**

Aweil Bible College will reopen in January. Paulino, Angelo, Joseph, Luka, Ruay, Daniel, Peter and Ezra all have agreed to come and teach courses. We request that you to pray and stand behind this great ministry. Pray that God will raise up many leaders in the new nation of The Republic of South Sudan. Through God's help we strongly hope that as we work together in Christ, God's mission will touch every South Sudanese heart with the word of Jesus Christ. Christ."

**CHE TRAINING IN PEORIA, AZ**

Bev was able to participate in a Community, Health and Evangelism (CHE) training workshop in Peoria, AZ Sept. 10-14. "Community Health Evangelism is a means to help people in the church to minister to the physical and spiritual needs of their people, and to reach out in love to their communities. This is done through training in the prevention of disease promotion of good health and how to live an abundant life in In Bev's words.... I thought several times during the week "but we are working in South Sudan which is a 4th world country....we can never implement most of these ideas." But South Sudan will continue to be a 4th world country if we (SAM) do not go in and help them understand that there may be a healthier, better way to do something. We can go into a village, train the community and then let them implement the practices and at the same time teach Christ.

**Orphan children in Malek, South Sudan**

**PIANO WITH RICE**

Sylvia Lentz has recorded an instrumental worship CD of her piano playing. Piano with Rice is a ministry for starving children and her focus in on South Sudan. The cost of the CD is \$15 with all proceeds going to the Orphanage being constructed in Malek, South Sudan. To request a CD, please send \$15 to Piano with Rice, c/o Sylvia Lentz, PO Box 601, Scottsbluff, NE 69363.
