## NEW UPDATED SSAM BROCHURE

Instead of our usual newsletter, we decided to send the new South Sudan African Mission brochure to everyone on our mailing list along with a shortened SSAM newsletter. The brochure outlines the areas where SSAM is involved in South Sudan plus gives a little history of the mission. We think you will find the time line on the back of the brochure especially interesting.

If you would like additional copies for your church bulletin or to give to your friends, please send us a note or email and we will be glad to send more. Our email address is info@sudanafricanmission.org

Randy Word of Word Web Design located here in Portland helped with the design and layout of the brochure.

## EMAILED NEWSLETTERS

Several responded and asked that their newsletter be sent via email. Because we are sending the SSAM brochure along with this shortened newsletter this month, beginning with the June newsletter you will no longer receive a mailed copy. If you prefer to have your newsletter emailed please contact us at info@sudanafricanmission.org.
