SSAM TEAM TO GO TO SOUTH SUDAN IN FEBRUARY

Steve Holsinger, Bev Campbell and Bev's son, Nick will be traveling to South Sudan February 14-26. While there they will attend the third Aweil Bible College graduation of seventeen students. The graduation is an important event for the Aweil Bible College and the village of Malek with government officials and community leaders invited. This will be an opportunity to affirm to South Sudan that South Sudan African Mission is concerned for their country and their well being. Please pray for the SSAM team as they go into a county of unrest. There is currently a travel advisory for anyone going into Juba which means we must be aware of our surroundings, maintain a high level of vigilance and take appropriate steps to enhance personal security.

Luggage is very limited but if you wish to send a note to one of the graduates or to one of the evangelists, we will make room in our luggage for them. We do not have the names of the graduates but several of you support one of the evangelists and this would be a good opportunity for you to communicate with them. If you, your church, your Sunday School class or family would care to send a card or note please send it to SSAM, PO Box 187, Gresham, OR 97030. Please do not enclose any money. Correspondence must be received prior to February 4th.

Graduating class of 2009. Graduates are in the blue gown and the teachers are in red.

GIVING STATEMENTS

If you have donated to SSAM in 2014, look for your giving statement to be in the mail by the middle of January. On behalf of the entire SSAM team, we continually thank God for your contributions.

LUKA'S EYE SURGERY SUCCESSFUL

I send the greeting of myself, my family and the church congregation.

Because of my eye treatment I am thankful to SSAM. My family, friends and the church members are all happy and thankful for what the mission has done for me to make a priority for my eye treatment.

The Church is functioning well. Priorities are evangelism. We baptized seven. The Sunday School children are continuing to learn.

HAPPY NEW YEAR 2015

--Yournew

May Almighty God bless you all in USA.

The work of Christ is progressing well here in Aweil. Aweil Mission is encouraging expanding. More new churches are ascending from far villages.

Because of flood and bad roads we have difficulties collecting reports. Attached here are few of the reports that we were able to reach from our evangelists from various churches in Aweil area.

The intake of ABC (Aweil Bible College) for 2015-2017 will start in January 2015. We have written to our local churches to send the new students.

ABC has been acknowledged at state level.

There are seventeen (16 boys and 1 girl) in the graduating class. Our next classes will start one week after the graduation

We are praying that Bev will be able to send us the funds early because the hunger is striking our state of Aweil and things are difficult with our evangelists. This is a national crisis since there was a bad harvest last season and the war had an effect on some of the states in the country.

We so grateful for all the help you are offering to people of South Sudan.

(Over \$100,000 was sent to Yournew Jan. 7, 2015 to distribute per their four month budget)

WHERE WILL SSAM BE?

January 25 - 6 p.m. Turner, OR Christian Church
We have several other locations scheduled for later in the year and if you are interested in SSAM coming to give an updated presentation, please contact us. After our trip we will have new pictures and information to share.

RETURN SERVICE REQUESTED

MATUIC CHURCH OF CHRIST

--Daniel Deng

Receive my greeting with hope that you are doing well as I am doing here.

Church activities: Matuic Church of Christ is always busy with church activities. All the ministries are doing their work. We have Bible study groups which meet two days a week in order to prepare them for baptism. Women groups also go door to door to pray for the families, peace in South Sudan, the sick and the needy. Youth are also busy making bricks for the church construction and building the office. They are working very hard to replace the benches for sitting in the church because some of the seats are getting old.

REPORT FROM MALUALBALI, AWANGTHOU AND MANGAR-TONG-ADHAR CHURCH OF CHRIST

--Ezra Lual Wieu

Greetings from the three church congregations. We praise God for giving us brothers and sisters who have committed themselves to support us in the mission. May God bless and keep them safe.

Last week I prayed with the congregation at the newly founded church of Mangartong-Adhar Church of Christ. I preached the Good News and the congregation was very grateful and received the Biblical message. They were very encouraged in the Lord and gained spiritual growth. They extend their greeting to the brothers and sisters in the USA.

I recently was at Awangthou Church of Christ and after the service we discussed Bible schools, Sunday classes, preparation of Lord's Supper, arranging contributions, Sunday services and house to house visitations.

I praise God for my new motorbike. It will ease my transportation from ABC (Aweil Bible College) and the three churches because they are a far distance apart. It is a great achievement for my field work. Since I received the motorbike, I was able to meet every congregation any time as needed.

(It has been SSAM's policy to not furnish motorbikes for the evangelists because of the added expense. Ezra's US sponsor contributed additional funds for the motorbike which enables him considerably with visiting churches and continuing his work with the Aweil Bible College)

MALEK CHRISTIAN HOSPITAL

Malek Christian Hospital continues to see hundreds of patients for the usual illnesses; malaria, dysentery, pneumonia and pre and post natal care. Education regarding good sanitary practices continues to be a high priority, as most of the disease experienced is preventable. Dr. John Kuat is in Malawi for some specialized training sponsored by the South Sudanese government. The mobile medical clinic continues to serve remote villages, staffed by people Dr. John has trained.
